

LENT

March 1st through April 16th

As always, we will be offering seafood options on Fridays during lent. We will continue to serve our Prime Rib, but also offer fish friendly Fridays to ensure all our guests can partake.

What's that on the menu?

I hope this section has been helpful while looking a head at our meals each month. I have learned a lot as Chef Trish sends me menus and I don't know what things are. All in all, each time I learn something new, I love TASTING something new even more! Here are a few items that you may want to know more about:

Broccolini – served 3/4 – a green vegetable similar to broccoli but with smaller florets and longer, thin stalks.

Goulash – served 3/3 – a stew of meat and vegetables and seasoned with paprika and other spices.

Cream Chip Beef – served 3/8 – for those of you that have been in the military, also called S.O.S. one of my grandmother's favorite meals!! It is a culinary dish of white sauce and slivers of thinly sliced beef on toasted bread.

Chayote Squash – served 3/18 – is an edible fruit belonging to the gourd family. It is often cooked like summer squash.

LACES OF LOVE

March 4, 2017

Bring in a new pair of sneakers for children in need. There is a shortage for teenage shoes if you aren't sure what to buy. Every shoe helps!
